Dear Ms. ~~Zereski,~~ *Kelsa,*

On behalf of the children and staff of the consortium formed by the Boys & Girls Club of Worcester, YWCA, Pakachoag Acres, and the Guild of St. Agnes, I wish to express our appreciation for your foundation's recent gift of \$20,000. Reliant's support helps us provide emergency hunger relief through our food pantry to youth and families who need us now more than ever. For many of the kids we serve, life was challenging before the pandemic, and now it is even harder. Our consortium has responded to their needs by keeping our doors open. We are proud to say we have been designated by the Department of Early Education & Care as emergency sites to provide childcare for children of first responders, hospital personnel, and other essential workers.

In addition, your generous donation will help us provide food and clothing to families, case management services to those in crisis, and online learning activities to youth who are stuck at home. We could not do this without your support. The silver lining in this situation is that our city and surrounding communities are coming together. We all play a role in helping our community stay safe and healthy, and we are grateful you have chosen our consortium to receive support.

Stay safe and be well,

Liz Hamilton  
Executive Director  
Boys & Girls Club of Worcester

*Kelsa,*  
*My thanks to you & the foundation for being there for our kids & essential workers during this challenging time. We are so grateful for our wonderful community partners, like you!*

P.S. We have sent checks to the other agencies and they will be sending thank-you notes.
